

# CURT GILES

## President Three Square Market

### What you might not know about me:

Graduate of the University of Minnesota - Duluth

Lives in Edina, Minnesota

Happily Married

Blessed with children and grandchildren

Former NHL Hockey Player

Has a better Hip Check than you

A #FirstClass Organization,  
Where #EverybodyCounts!

### What people say about me:

"His type of stoic leadership is not valued today as much as in the past. There's an expectation now that even if we're not sure what we're doing, we should be doing something. He was a strong presence on that [1991 Stanley Cup finals] team. His performance didn't vary. That's what helped turn that team around."

-Bob Gainey, former North Stars coach

### What I Do:

I oversee the growth, operations and development of the Three Square Market brand. Three Square Market converts your breakroom from a boring bank of vending machines to a lively convenience store and services center. Using our proprietary self checkout kiosk and patented smartphone application, Three Square Markets offers employees fresh and convenience foods, the ability to swipe and go in a matter of seconds.
