What you might not know about me:

Graduate of University of St. Thomas

Lives in St. Paul, MN

Sports Enthusiast

Defensive coordinator - Cretin-Derham Hall High School

A #FirstClass Organization,
Where #EverybodyCounts!

What people say about me:

"Very passionate about what he does. Tony is one of the hardest workers that I have ever met. He is also someone that can master something quickly. Our customers really like him and appreciate him, his hardwork really shines through."

- Kurk J., Co-worker

"Tony created an awesome experience for us with our order through 32M. We are looking forward to being a long-term partner with 32M because of Tony's dedication and commitment to his customers."

- Mark, Customer

What I Do:

I handle all the day-to-day operations for Three Square Market by overseeing the production of various equipment to the implementation of various procedures. Also, I am able to help with any future visionaries for the company by working it into a step-by-step process to turn an idea into a reality.
